You don't even have to be a Prime member, though, to take advantage of thousands of free out-of-copyright books through Kindle Popular Classics. But there are some retailers, such as Zappos.com and Nordstrom.com, that offer free shipping on all purchases all the time. You can stream new releases starting at \$4 through services such as Vudu. However, the movies typically aren't the newest releases. You might not get your orders within two days -- as you would with Amazon Prime -- but you won't have to pay a membership fee to get free shipping with these other options. See 9 Places to Get TV and Movies Online for more options. Free e-books. So if you're shopping at one of these stores and use an app such as RedLaser to scan the barcode of an item and find that Amazon is offering it for a lower price, show a sales clerk the lower price and ask for a price match. These are the best TV shows streaming right now on Amazon Prime. February 1, 2022 What to Expect from the 2022 Summer Travel Season Travelers have been dealing with the trials and tribulations of canceled trips and elusive refunds for nearly two years. Then you can avoid shipping costs altogether and still get the best deal. Video streaming. And ShopRunner, which offers free unlimited two-day shipping from 85 online retailers, is waiving its \$79 annual membership fee for a year for Amazon Prime members who haven't renewed their membership at the higher rate. And plenty of online retailers frequently offer free shipping on orders that exceed certain dollar amounts. Amazon orders totaling \$35 or more may qualify for free shipping even if you're not a Prime member. Or you could pay \$8 a month (\$96 a year, which is less than a Prime membership) for unlimited streaming through Netflix. In fact, Best Buy and Target have price-matching policies that extend to Amazon prices year-round. However, you can borrow just one a month. At Gutenberg.org or the University of Pennsylvania online books page, you won't pay a cent to legally download thousands of books whose copyrights have expired. For newer titles, check out your public library. You can find many of the movies and TV shows available to Prime members for free at Hulu and Crackle. The news has elicited a lot of grumbling on the Amazon Prime forum from members, many of whom say the service won't be worth the higher price. Amazon Prime members have access to 40,000 movies and TV episodes. Skip to header Skip to footer Being a member of Amazon Prime certainly has its perks.
